Trauma Unit Under Construction

Republic County Hospital board members saw progress on the new Trauma Unit under construction on the west side of the hospital on Monday. The new unit will allow emergency patients walk-in access to the department. A new central nurses station on the west end of the Acute Care wing will allow staff to immediately greet walk-in patients, as well as to provide care for the acute wing, obstetrics and monitored bed unit. The Trauma Unit connects the nursing floor with the Radiology Department, which is equipped with an MRI and CT technology. The \$5 million unit, which is being paid for by a government grant and an estate bequest, is expected to be completed this summer. Proceeds from a Kentucky Derby Fundraiser hosted by the NCK Health Care Foundation this Saturday, May 3, will be designated for a telemetry system for the Trauma Unit to allow remote cardiac monitoring of patients. Donations towards the telemetry system may also be sent in care of Republic County Hospital, 2420 G ST, Belleville.
