A black and white illustration of a farmers market sign. The sign is rectangular with a dark background and white text that reads "FARMERS MARKET" in a stylized, serif font. Surrounding the sign are various vegetables: a corn cob on the left, a tomato in the bottom left, a bunch of grapes below the tomato, a carrot in the bottom center, and an eggplant on the right.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
