Kansas 4-H Scholarship winners announced

Kansas 4-H youth have been recognized as recipients of the State 4-H Scholarship and the Vanier Family Scholarship for the 2025–26 academic year. In total, 68 State 4-H Scholarships and five Vanier Family Scholarships were awarded, with combined funds totaling nearly \$381,000.

The State 4-H Scholarships are awarded to Kansas 4-H members who demonstrate strong involvement, leadership, and citizenship. Eligible applicants must have participated in the Kansas 4-H program for at least three years and be enrolled in a post-secondary academic institution.

The Vanier Family Scholarship Program focuses on financial need, leadership, and perseverance. These awards are available to students' attending college or university for the first time and are renewable until the student graduates.

"Kansas 4-H is proud to support our 4-H members and alumni as they pursue higher education and career goals. Many of these young leaders discovered their passions through hands-on 4-H project work, and these scholarships are a way to honor their dedication and help turn their dreams into reality." Dr. Sarah Maass, State 4-H Program Leader said.

Both scholarships are made possible through the generosity of donors to the Kansas 4-H Foundation. This year, more than 210 youth applied for the State 4-H Scholarship, and over 110 applied for the Vanier Family Scholarship.
