Parkview Health & Rehabilitation  
Center Welcomes

Melissa Portenier

Director of Nursing

Parkview Health and Rehabilitation Center welcomes Melissa Portenier as our new Director of Nursing. Melissa brings a wealth of experience and a deep commitment to rural healthcare. Her extensive background in various healthcare settings and dedication to improving patient care make her an invaluable asset to our team. We are confident that Melissa will lead us into a bright future, ensuring the highest standards of care for our residents.

Melissa Portenier, RN, is a dedicated healthcare professional with deep roots in Smith Center by her parents Randy and Joan Kline. Melissa’s journey in nursing began with her certification as a CNA in 1991. She then earned her LPN in 1994 from Colby Community College, and her RN and Associate Degree in Nursing in 1999 from Cloud County Community College.

Melissa married Caven Portenier in 1988, who was raised in Phillipsburg, KS, and currently serves as the Midway Coop Station Manager in Luray. The couple has called Luray home since 2004, where they have built a loving family. Their daughter, Aften Roenne, her husband Luke, and their three daughters, Riley, Paisley, and Ioanie, bring joy to their lives. Their son, Tanner Portenier, and his girlfriend Monica Mullender, along with their sons Tucker and Wyatt, complete the family circle.

Melissa’s extensive career in nursing spans over three states, where she has worked in 140 buildings, gaining invaluable experience in rural healthcare settings, including hospitals, home health, private duty, pediatric home care, and hospice. She has also served as a State Surveyor for Kansas, showcasing her commitment to improving healthcare standards.

After years of traveling, Melissa decided to join Parkview Healthcare and Rehabilitation Center as the Director of Nursing to be closer to home. Her familiarity with the local healthcare community and experience working with several staff members and hospital personnel make her a valuable addition to the team. Melissa looks forward to contributing to the future of care at Parkview and enhancing the well-being of the Osborne and communities it serves.
