

SC announces 18 NANA Scholar-Athletes for spring

The National Association of Intercollegiate Athletics (NAIA) has announced the 2025 Daktronics NAIA Scholar-Athletes for spring sports.

This honor recognizes student-athletes in each of the spring sports who have excelled academically, including baseball, men's and women's golf, men's and women's lacrosse, track and field, softball, men's and women's tennis, men's volleyball and women's beach volleyball.

To qualify as a Daktronics NAIA Scholar-Athlete, students must maintain a minimum cumu-

lative grade point average (GPA) of 3.5 on a 4.0 scale, appear on the eligibility certificate for their sport, and have attended their institution for at least one full year.

This year, Sterling College had 18 student-athletes who met these rigorous standards.

Representing Warrior baseball was senior Michael Tweed, senior Nate Heffline and senior Trenton Canaan.

Representing Sterling in men's golf was senior Joaquin Gomez, junior Sondre Storli Jensen and junior Zachary Surface.

Representing the Lady War-

riors in softball was sophomore Bryley Westfahl, sophomore Mackenzi McKee, sophomore Mya' Dunn, junior Madilynn Green, junior Mallory Seidel and senior Phoebe Waller.

Representing Sterling in women's tennis was senior Camila Castro Medina and sophomore Giovana Gaboardi.

Finally, representing the Warriors in track was sophomore Aliya McClanahan, sophomore Camden Carr, sophomore Janie Perico and senior Lana Rodriguez.

Track—

From Page 6

with a time of 34:24.69 ran at the NCCAA Outdoor Championships.

Throughout the outdoor season, Sterling has seen eight NCCAA All-Americans: Jones (long jump, high jump, triple jump), Gray (long jump and triple jump), Trey Dixon (long jump), Cedric Wilson (high jump and 110m high hurdles), Blake Robertson (discus and hammer throw) and Aliya McClanahan (discus and javelin).

"Nationals concluded an incredible year for

SC Track. We are making great strides in growing the program, both in our performance and culture. Our athletes worked hard this spring semester, and many were able to see the fruit of that labor with personal bests, school records and more," Blevins said. "We have big goals of what we want to see happen within our program, and are optimistic that this year will be a springboard for continued success and growth. While we only just recently finished this year, our group is eager for what is ahead next year."
