

Sterling College begins new school year with Warrior Welcome 2025

Sterling College successfully hosted its annual Warrior Welcome orientation for the incoming class of 2025, which took place across various campus locations from Aug. 8 to Aug. 23. The welcome event integrated new students into college life with a mix of academic and social activities.

“We’re so excited to welcome the Class of 2025 to campus for Warrior Welcome. It’s always such a joy to see new students jump into the activities we’ve planned and start building friendships and connections that will make their time at Sterling College unforgettable,” said Hunter Morgan, executive director of career services and student success.

The orientation featured the Service of Dedication, a Servant Leadership Luncheon, and diverse team activities for both student-athletes and non-athletes. Special events like the Highland Games, President’s Ice Cream Social and the First Blast provided fun and relaxation for the new

arrivals.

The orientation culminated with a series of welcome addresses and the College’s Keynote Convocation and first chapel of the year, inspiring students for the academic year ahead. All new students participated in these foundational experiences, kickstarting their journey at Sterling College with enthusiasm and community spirit.

“What a privilege and spiritual opportunity it is to proclaim the redemptive love of God here. Our verse of the year is Romans 8:37 which says, ‘No, in all these things we are more than conquerors through him who loved us.’ This year’s theme, ‘More Than Conquerors,’ is drawn from our verse of the year in Romans 8:37. We pray this year is filled with meaningful memories and experiences. More than anything, we pray that individuals encounter the love of God, a love that transforms lives forever,” said Jose Carillo, campus pastor.
