And finally, your churches! I was honored to deliver the message Memorial Sunday at Syracuse Methodist Church. As I drove to the church, I saw many cars in front of many churches. People were taking out time to worship God on a busy weekend! God is doing good work in Syracuse Kansas! We live in a troubled messed up world. God is needed more than ever today! I give thanks for the work He is doing in Syracuse,Kansas.

If you didn’t get a chance to pick up my book, “Musings of a Walmart Greeter” during my visit you can reach out to me at gswarner1970@gmail.com or send me a text at 573-380-2850. It has gotten wonderful reviews, and is filled with funny and inspiring stories and values to live by, and it all started in Syracuse, Kansas!

Thank you, Syracuse! Thanks for making a difference! Can’t wait till we see each other again!

New vendors. Local goods. Come check them out 4:00 -7:00 PM Friday evenings across from Dollar General.

Friday night, the KPRA, CPRA sanctioned rodeo began and the rain poured down, but that didn’t stop them. The show went on.

To begin each evening, on their horses riding into the arena were Dakira Limon with the American flag, Addison Dikeman the Kansas flag, and Saddle Club President Cory Hatcher brought in the Syracuse Saddle Club flag.

On Friday night, Clayton Wharton led the prayer, and Amy Wharton sang the National Anthem. Saturday night, Rusty Wharton did the prayer and Mallory Horton sang the National Anthem.

Saddle Club secretary Carol Limon said, “We were very excited for the turnout. We had more contestants than ever before! The contestants came from Nebraska, Texas, Colorado, Kansas, and more. With other events going on this weekend including a Demo Derby in Holly and a few weddings, we were very pleased with the audience numbers too.”

Limon added, “Outlaw playdays start next week here in Syracuse. The money from the concessions help put on these events for prizes, etc. For the weather this weekend and for the amount of people who came out, it was a great time.”

Full KPRA results will be in Dawni O’Bryan’s Happy Trails column next week.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
