1. Serving a legal notice requiring control of the noxious weeds within a minimum of five days. Failure to control the noxious weeds within the time period allowed may result in the county treating the noxious weeds at the landowner's expense and placing a lien on the property if the bill is not paid within 30 days or;
2. Filing criminal charges for non-compliance. Conviction for non-compliance may result in a fine of \$100 per day of non-compliance with a maximum fine of \$1500.

The public is also hereby notified that it is a violation of the Kansas Noxious Weed Law to barter, sell or give away infested nursery stock or livestock feed unless the feed is fed on the farm where grown or sold to a commercial processor that will destroy the viability of the noxious weed seed. Custom harvesting machines must be labeled with a label provided by the Kansas Department of Agriculture and must be free of all weed seed and litter when entering the State and when leaving a field infested with noxious weeds.
