**minds matter**
Join Our Team. Make a Difference.
Minds Matter, LLC is a community-based agency dedicated to helping people with brain injuries live, work, and play within their communities.
Our talented, compassionate team members have helped individuals adjust to life following a brain injury for over 3 decades. Our approach to holistic functional therapy, collaborative care, and consumer advocacy has allowed thousands of Kansans to live independently and thrive within their communities. If this work sounds fulfilling to you, don't hesitate to apply for one of our brain injury therapist jobs in Kansas.

Current Openings:
Physical Therapist
Physical Therapists carry out an individualized program of physical therapy including assessment, treatment, planning, implementation, education, and communication to maximize a consumer's progress toward achieving functional goals.
Speech Language Pathologists
Speech Language Pathologists provide treatment of speech and/or language disorders, such as problems with the actual production of sounds and difficulty understanding or putting words together to communicate ideas.
Occupational Therapists
Registered Occupational Therapists (OTR) offer an approach that focuses on the effects of injury on the social, emotional, and physiological condition of individuals. The OTR works with consumers to develop skilled therapy goals related to an individual's balance, motor skills, posture, and perceptual and cognitive abilities within the context of functional, everyday activities.
Benefits of Working at Minds Matter
