appearance on behalf of our firm and we're ready to go," she said.

Brenwald-Johnson explained more about the process, such as that a tax sale statute included that an

offer for public auction will be given to the highest bidder on the day of the sale on the date prescribed in one of Klenda Austerman's notices. An order of sale will be sent to the court. A separate notice of sale would be given to the treasurer in advance, as this notice would include information about the tax sale.

After further discussion about the process, the commissioners voted to approve filing the motion to take over the tax sale process.

Kansas Legal Services to Offer Insightful Learning Opportunities

HIAWATHA WORLD

The Northeast Kansas Area Agency on Aging and the Trinity Center have engaged Kansas Legal Services- the legal aid organization for Kansas- to provide a series of monthly public education sessions on the second Fridays of March, April, May and June from 10:30-12:00 at the Trinity Center, 101 S. 3rd St, Hiawatha (just east of Amberwell Hospital). The programs are intended to create more confidence in participants to take charge of their personal business and safeguard themselves.

The first session will be Friday, March 13 and the series of topics is expected to be:

March 13th Putting the Power In Your Hands

Be in charge of who can act on your behalf. Learn the basics of Powers of Attorney documents in Kansas- what they can do for you, who can make them, and how they serve a different purpose from Advance Directives and other documents. Your rights as a medical patient will also be discussed.

April 10th Don't Leave a Mess- Make a Simple Plan for After You're Gone

Be thoughtful about those

who will have to administer the distribution of your personal business and belongings (your "estate") when you are not able to, or after death. Learn about the options you have for how to set it up as you desire.

May 8th You CAN Protect Yourself From Scams

This presentation will guide you through several types of scams and how to recognize them so you will be able to avoid being taken advantage of, as well as protect your personal data and finances.

June 12th Grandparents Raising Grandchildren- There

are many challenges when taking on the full-time caregiving responsibility of grandchildren. This presentation will address common legal issues such as authority to act on a minor's behalf in school, medical decisions, or for their welfare.

Refreshments will be served and there will be ample time for your personal questions for the presenters. Though the sessions are targeted at senior adults, all are welcome! If you need more information please text or call the Trinity Center at 785-288-9345.
