Pratt County Commission Minutes for March 2

The Pratt County Commissioners met in regular session Monday, March 02, 2026, at 2:00 pm in the Commissioner Room, 1st floor of the Courthouse. The following members were present: Thomas W. Jones III, Rick Shriver, Morgan Trinkle, Tyson Eisenhauer, County Counselor, Cescha Hoffman, County Clerk and Mark Graber, IT Director.

Economic Development Update – Heather Morgan Sawyer Kansas Gas Project Update

Heather reported the City of Sawyer has been moved ahead of the City of Sharon for project start dates. KGS may contact the County, if not already done regarding installation along the right

of way. Construction could begin as early as next week, starting with placement of gas line underground. The City of Sawyer is required to make a lump sum payment to KGS for the project cost totaling just under \$1,000,000. The KCC will handle regulatory compliance on the back end. Approximately \$100,000 will remain in the Sawyer project account for contingencies in case of unforeseen circumstances.

Neighborhood Revitalization Bill

Heather provided an update on the NRP Bill. The bill is scheduled to be heard in the Kanas Senate on Thursday. Tyson Eisenhauer will submit testimony. The city of Pratt will have its attorney, Cody Smith, provide testimony as well.

House Tax Bill

Heather reviewed changes to the House tax bill. The \$60 million fund was removed that

would have allowed local governments to receive state reimbursements under the house plan. The threshold for the protest petition was reduced from 10% of voters from the last presidential election to 5% of voters from the last Secretary of State election.

ARPA Close Out

Heather stated that both she and Cescha received official communication from the federal government regarding ARPA closeout. Heather will complete and return the required materials. Upon submission, the County will be officially closed out of the ARPA funding process.
